AROUND THE BLOCK

3 Things YOU Should Be Talking About To Others This Week...

1. Time for Work & Time for Yourself...

- Did you know the first US observance of Labor Day was held in the form of a parade on September 5, 1882? 10,000 workers paraded in NYC to rally public support for changing the workday from 12 hours to 8 hours! This Labor Day, we encourage you to take time to reflect on how you spend your personal time. What are some ways that you can spend some of that time sharing the HOPE your faith brings you with others? Share your thoughts this morning on Facebook or Twitter! #citizensofhope

2. Citizens of Hope Clings Available this Morning...

- As we kick-off a new Sermon Series, *Citizens of Hope*, this morning, you are encouraged to share the message with others. Citizens of Hope Clings are available at the Information Desk this morning. Take one for an easy way of displaying your HOPE for others to see!

3. Go Deeper in your Faith this Fall with Group Life and Learning Communities...

- Group Life and Fall Learning Communities are ministries where new friends can be made and a place where the hard questions of the Christian Faith can be explored. Group Life meets weekly for sermon-based small group discussion and participates in service activities. Learning Opportunities meet throughout the Fall and offer places for discussions, lectures and study. Find out more and register at fumcr.com/grouplife and at fumcr.com/learn
