

## Richardson Area Interfaith Habitat

Richardson Area Interfaith Habitat (RAIH) is a local area outreach program designed to improve the quality of life for deserving, caring, sharing, and committed families and to involve area churches and synagogues in that process as an **interfaith ministry**.

Richardson Area Interfaith Habitat has supported Dallas Habitat for Humanity since 1991 in building new homes or restoring existing homes for individual families with job stability and a desire to own their own home. We plan to build our **45th home in 2023**.

**RAIH** raises money for building houses through activities such as this Walkathon, other fundraisers, and from donations from our congregations and business organizations. We then recruit congregation volunteers who spend 10 Saturdays building a house, which is then presented to the recipient at a dedication celebration at the end of the build.

The families who receive these homes are proud to achieve their dream of home ownership and, in return, pass this sense of pride on to others in their community.

**We thank all of you for contributing to this worthwhile cause.**

## Dallas Area Habitat for Humanity

Dallas Area Habitat for Humanity (DAHfH), a major local affiliate for Habitat for Humanity International, was founded in 1985. DAHfH seeks to provide a long-term, permanent solution to the need for decent affordable homes for low-income families. Through donated supplies and volunteer efforts, Dallas Area Habitat coordinates the construction of new homes in neighborhood groups, and the rehabilitation of existing homes.

With the many volunteers donating both time and materials, DAHfH homes can quickly be built for the equivalent of half the market value. When homes are completed, potential homeowners who have worked on their plan of home ownership with DAHfH are offered a 0% interest mortgage. Potential homeowners must provide at least 300 hours of 'sweat equity' either on their own home or other Habitat projects in lieu of a down-payment.

DAHfH is required to raise its own construction and operating funds for programs. DAHfH provides family counseling and education through various courses, workshops and family resource programs. It also encourages Development of Neighborhood Associations to help build a strong neighborhood base.
