## What We Do

### Minor Home Maintenance and Repairs

First Richardson Helpers volunteers provide minor home maintenance and repair service with a key focus on safety issues in the home. Typical repairs are the type that can be completed in three hours over a couple of work sessions.

We help seniors and others with special needs who reside within the Richardson ISD school district.

There is no charge for the help that we provide. Donations are welcome to offset cost of materials and to help others who are less fortunate.
