Garden Ministry

Our passion is more a *journey* than a destination. Along the way we learn, teach, try new things, try to repeat previous successes, and are always willing to *get dirty* doing it. Our efforts help to beautify the campus, offer educational programs, and provide fresh produce to Network of Community Ministries' food pantry - over 1500 lbs. last year!

FUMCR Garden Ministry is self-funded, and to that end, we have annual fundraisers of greenhouse-grown tomato and herb plants, Mother's Day container plants, and this direct-from-grower plant sale.

We invite you to be a part of our mission by joining our group or by purchasing plants for your yard and garden.
